RE – Authorized Flexco Distributor

This letter serves to confirm that **213 Nourrhayat International, Quartier Samandin, Ouagadougou, Burkina Faso**, is an Authorized Distributor for Flexco Products.

213 Nourrhayat International is authorized to supply and service Flexco products to their clients in the following African Countries:

- Burkina Faso, Togo, Benin, Niger and Liberia

As an authorized distributor, 213 Nourrhayat International will have the mechanisms to import, supply, and service Flexco products for distribution to clients in the above-listed Countries. Flexco seeks to partner with capable distributors who can not only supply our products but also offer a range of quality services through our distributors to their clients.

Flexco is an international conveyor component manufacturing company that supplies premium products throughout the world and has distribution operations in South Africa, Botswana, Namibia, Zambia, Zimbabwe, and the DRC and has the logistical strength to supply 213 Nourrhayat International with the necessary product, service, and training needs.

Should you have any queries please feel free to contact me.

Regards
